Physician

Dear Sir

Allow me to suggest
one more on your kindness
by requesting the loan of
your tickets for Drury Lane
on Thursday or Saturday
next, or any other day on
which it may be more
convenient to you to spare
them, as we wish to give
our young folks a treat.
The Academy with which

you have so kindly upon
former occasions indulged
me, emboldens me again
to trouble you, hoping
however that if it should
be attended with the least
inconvenience to you
you will not hesitate to
say so — D^r Sir yours
in Comp^t & obed^t ser^t
